COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE
(Pursuant to 37 CFR 1.104 (e))

Commissioner for Patents
M/S: Issue Fee
P.O. Box 1450
Alexandria, VA 22313

The undersigned would like to thank the Examiner for the thorough review of the above-captioned application and for allowing claims. The undersigned submits herein Comments on the Examiner's Statement of Reasons for Allowance given in the Notice of Allowance, and respectfully requests that these comments be made of record.

In the Statement of Reasons for Allowance, certain claim language is referenced. As stated in that document, some of the language in the Statement of Reasons for Allowance is found in certain of the claims, but it is not found in all of the independent claims. As indicated at the end of the Statement of Reasons for Allowance, the independent claims in which the language is not found are allowable for reasons that were not articulated. Thus, the undersigned notes for the record that this Statement for Reasons for Allowance was not intended and should not be used to read nonexistent limitations into the claims.

Additionally, in the Statement of Reasons for Allowance, certain statements were made about one or more pieces of prior art. Since this prior art was not specifically identified, the undersigned is unable to verify these statements and does not acquiesce in them.

Respectfully submitted,
BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN LLP
